

After Thirty Years' Experience

With the Buggy trade of this section we have convinced the customer of the importance of considering
WHAT IS UNDER THE PAINT

on a buggy. True, he cannot tell by looking, but the brand and reputation of the maker is a guarantee of what he can expect in the way of service.

As a result purely of experience a man will now come into our show-room, and ask to be shown a Columbus, a Delker, an Anchor or some other of long tried and proven merit,

AFTER ALL HE HAS SEEN UNDER THE PAINT.

We have a beautiful line of new and most attractive work to show you, and beg the favor of a visit.

BAND BOYS

Want Name For Their Moving Picture Theater.

The Third Kentucky Band has instituted a competition to secure a name for their new motion picture theater.

Much interest is being taken in this venture of the Band boys and this contest will stimulate general interest still further.

The theater is rapidly being gotten into condition for the opening, April 15th, and they will doubtless be patronized by crowded houses.

WANTED--A NAME

FOR THE NEW MOTION PICTURE THEATRE TO BE OPENED, IN OPERA HOUSE, APRIL 15TH.

First, let us say that this show is to be of the very highest class to be obtained in the world of moving pictures. The high standard set in this city is to be maintained, if not surpassed. We want a name that is short, attractive and easily remembered. There are many of this type that are hackneyed from constant use. We want something original and catchy—something distinctive.

Write your name and address on a card or piece of paper and the name you have selected below it. Put the card or piece of paper in an envelope and address it to the THIRD REGIMENT BAND, and on one corner of the envelope write the name you wish to suggest. Don't fail to put the name on the envelope and do not have anything upon it which might reveal your identity. These communications will be numbered in the order of their receipt, and in case the same name has been selected by more than one, the number showing priority of receipt will be the one to receive the tickets. There will be no second prize, both tickets going to the one suggesting the best name. The competition is open to any white resident of Hopkinsville and Christian county. All answers must be in by six o'clock P. M., April 10th, and no communications will be received after that hour. Here is your opportunity to secure a whole summer's entertainment, for the tickets will admit to any and all the shows

Act Quickly, As Some One Else May Be First.
